Date: February 18, 2013

## **Statement**

We, DAHL SWEDEN MOBILE TECHNOLOGY AB. declare that this EUT(FCC ID: R44INTOUCH) doesn't have Ad Hoc Mode function on "non-US/Canada frequencies". In addition, the frequency selection feature is disabled by firmware for devices marketed to the US/Canada. For DTS part of this device, only channels 1-11 will be used in North American. Country code selection is disabled.

Sincerely yours,

ROBIN DAHL  
CEO
