Dear Seven,

The application review is complete and all technical items are ok.

There is one administrative item as shown below.

Q1: According to 15.19, the FCCID label for this device must include the statement below . Only very small devices like cell phones, mouse, BT headsets, etc. are allowed to not have this statement on the label. Please provide a revised label exhibit. The statement included in the user manual is ok and requires no change, but the label must have the following statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device will not cause harmful interference, and (2) this device must accept any interference it receives including interference that may cause undesired operation.

Best regards,

Tim Dwyer  
CCS Technical Reviewer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
