

A photograph of a Foxconn LCD assembly, likely for a laptop. The assembly consists of a silver metal frame, a black LCD panel, and a black bezel. A small white label on the frame reads "FOXCONN", "P/L CHONGCHENG ARI", and "2008 04 17 21". A small orange sticker on the frame reads "FOX 20080814". A small white connector is visible on the right side. A wooden ruler is placed horizontally below the assembly for scale, showing measurements in centimeters.
