Requesting Class II permissive change

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: R5S1200V, Original grant date: January 18, 2021

The major change filed under this application is :

- 1. Enabling operation in 5470~5725MHz via software.
- 2. MPE information is provided to demonstrate RF exposure Compliance.
- 3. EMC has been evaluated as not degrade the characteristics that reported to the FCC at the original certification.
- 4. The hardware design of this transmitter is remained unchanged in this permissive change application.

Sincerely yours,

Adam Walt
