Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, EAZIX, Inc. hereby requests confidentiality of the Block Diagrams, Circuit Diagrams, Circuit Description, Parts List, and Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product, which EAZIX, Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, EAZIX, Inc. considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Arnel G. Lampa

Request for Short-Term Confidentiality

To Whom It May Concern:

In accordance with 0.457 and 0.459 of CFR 47, EAZIX, Inc. requests short-term confidentiality for the test setup photos, external photos, internal photos, and user's manual of the attached test report.

These documents contain detailed system and equipment descriptions and related information about the product, which EAZIX, Inc. considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, EAZIX, Inc. feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely,

Arnel G. Lampa
