# LANTRONIX

Date: 2023-02-20
FCC ID: R68OQ845US

## FCC E-Label Information:

1. According to FCC rule part 2.935 justification of using the alternative method of e-labeling for the product
   Certified module is being placed into a host product with integrated electronic display screen. Host manufacturer would like to use e-labelling on the end-product in lieu of a physical label.

2. According to KDB 784748, for devices with an integrated electronic display, or those devices that only operate in conjunction with another associated product that has an electronic display, below info has been stated in e-label and/or user manual.

   A. User Steps to Access Information

   Starting from Main Page:
   Step 1 – Access Interviewer Application (Installed on every device)

   

   Step 2 –Access "Settings" submenu

   

← **Field Interviewer HD settings**

🛜 **Wireless configuration**
Configure connection settings

🔔 **Alert settings**
Configure alerts and LED settings

🕐 **Date & time**
Greenwich Mean Time (24-hr format)

ⓘ **System information**
Show device details

← **System information**

**App version**
2.0.0.0-dbg-6670843

**OS version**
2.0.0.A1

**Update device**
Check and perform updates

Ⓕ **contains FCC ID: R68OQ845US**

B. Products must not require special accessories or supplemental plug-ins (e.g., the installation of aSIM/USIM card) to access the information.

Instructions will be provided with the product at the time of purchase, in the quick guidepamphlet.

Readability of Regulatory Information

| Information | on E-label | In Manual |
|---|---|---|
| FCC ID number | x | X |
| FCC logo | X | x |
| 15.19 statement ("*This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.*") | | X |
| Class A / B Digital Device user manual statements | | X |
| Caution to the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment | | x |
