TIMCO Engineering Inc.
849 NW State Road 45
Newberry, Florida 32669

Gentlemen:

The attached documentation is provided to formally update the "Theory of Operation" and "Specification Sheet" of the already approved Wireless Embedded Device Server (MN: WiPort-XX, FCC ID: R68WIPORTG). On behalf of our client, Aegis Labs is acting as an authorized agent to make these changes pursuant to Subpart C of part 15 of FCC Rules (47 CFR) regarding intentional radiators.

If there are any additional questions or if further information is needed, please contact us at your earliest convenience.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Candelas", is written over a white rectangular background.

Johnny Candelas
Aegis Labs, Inc.
Test Technician
