

FCC Permissive Change 1 Application Letter

Attn: Chris Harvey , EMC Laboratory Director
MET Laboratories, Inc.
914W, Patapsco Avenue, Baltimore,
MD 21230-3453

Applicant's complete, legal business name:
Firefly Mobile

Applicant's mailing address:

250 Parkway Drive, Suite 220
Lincolnshire, IL 60069
POC: Mr. Joe Murphy

Equipment Product Code :

FCC ID: R7C-F100

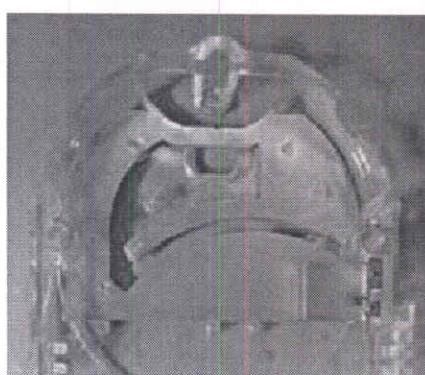

Date of Grant : August 23, 2004 by MET Laboratories, Inc.

Change Contents:

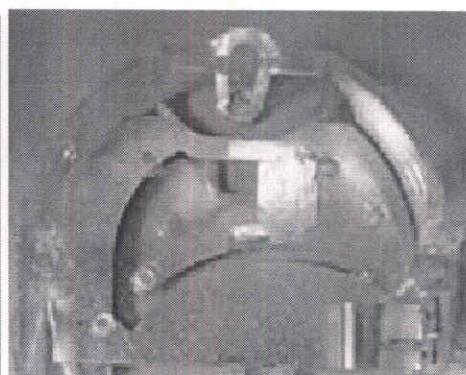

Class II Change: modification of antenna for 850MHz performance.

Mechanical differences between M30 and M35 Antenna Design:

Pictured below is the M30 (left) and M35 (right) antenna. The only difference is the addition of 1.4 mm of material to the vertical slot below. This affects the GSM 850 response only. See Firefly Antenna Differences M30 M35 PCS for details.

M 30 Antenna

M35 Antenna

Sincerely,

John Huang
Test Engineer
Mobicom Corporation
