Re: FCC ID: R7PEG1R1S1

To Whom It May Concern:

The following application is submitted on behalf of our client, Cellnet Technology Inc., for evaluation of their model Gridstream Focus AX Integrated for certification under FCC Part 15.247.

This device is considered a composite device by definition. It contains a 900 MHz LAN radio (DSS) and the 2.4 GHz Zigbee radio (DTS) which both operate under CFR 47 Part 15.247 of the FCC rules. Separate test reports are included for each radio / equipment class.

Sincerely,
