Re: FCC ID: R7PEG6R3S2

To Whom It May Concern:

The following application is submitted on behalf of our client, Cellnet Technology, Inc., for evaluation of their model 25-1078 for certification under FCC Part 15.247.

The 25-1078 is a modular device which does not fully comply with the modular approval requirements specified in Part 15.212(a)(1) therefore limited modular approval according to Part 15.212(b) is applicable. The 25-1078 was tested in the final host configuration as specified by the manufacturer.

Sincerely,
