INSTRUCTIONS FOR USE

The speaker has built-in rechargeable battery. When the battery is drained out, speake would turn OFF automatically. Please recharge the battery every time it drains out.

Plug the Micro USB end of the included USB rechargeable cable into the charging port. Plug the other end into a USB port on your computer or other devices made for USB charging Red LED Light illuminates indicating that the device is being charged.

It takes about 15 hours to fully charge the speaker. Once the speaker is fully charged, LFD Light

Please charge it completely before the first time use.

Turning on/off the Bluetooth Speaker

Press and hold the MF button for 2-3 seconds to turn ON or OFF the device.

Connecting two Speakers and a Bluetooth device for TWS pairing function Activate the TWS pairing function:

1. Press and hold the MF button on both Speakers for 2-3 seconds simultaneously to turn on, you would hear an indication tone and blue LED flashes rapidly from each 2. After few seconds, both Speakers will pair together with another indication tone. The LED light indicator on the host Speaker will flash blue rapidly, while the subordinate Speaker LED light stay on.

Remark: If they do not pair together automatically, short press the MF button on any one speaker, and the speakers will automatically pair with each other within few seconds. Once paired successfully you will hear an indication tone, and the LED light indicator on the host Speaker will flash blue rapidly, while the subordinate Speaker LED light stay on.

3. At this point, activate the Bluetooth function on your mobile device, and search for Bluetooth devices near you. Your mobile device should show one of "Sylvania SP833" instead of two in list, (This is the host Speaker. The reason you do not see subordinate Speaker in the list of available devices is that it is already paired with the host Speaker). Choose it to start the TWS pairing function.

 Once paired successfully, an indication tone will be heard and the LED on the host Speaker will LED light stay on
