**Subject: RADIO Certification of AUTOREEZ**

**Applicant: Adviez**  
**Product: Central manager module**  
**Model: AUTOREEZ**  
**FCC ID: R8T-AUTOREEZ**

To Whom It May Concern:

We would like to submit the above product for Certification concerning FCC rules.  
Please review all required documents enclosed.

This product is a central manager module of a control system for access management. All readers of an installation are connected in a mesh with one manager module. This product takes the interface between the system and a PC with dedicated software to enroll tag, authorize or reject access and control in real time access. This product can work in wireless network using the module FCC ID: OUR-XBEEPRO: Limited Single Modular conforms of the GRANTEE. Two boxes designs are proposed (see AUTOREEZ-ExtPho) but it's exactly the same electronic and boxes are totally in plastic: no shielding effect.

Compliance for RF exposure requirement was demonstrated in this test report.

If you have any queries, please do not hesitate to contact us.
