7435 Oakland Mills Road
Columbia, MD 21046-1609

SUBJECT: End Product Model Difference Attestation

FCC ID: R8T-FAMA-OBDLITE

Brand/Trade Name: ADVEEZ

Model Number: FAMA OBD / FAMA Lite

We, **ADVEEZ**, hereby declare that our end product, **ADVEEZ**, includes **FAMA OBD / FAMA Lite** as listed above. The above listed models are electrically and mechanically identical. The intention of these models is solely to enable varied handling of CAN bus* protocols, depending on the type of equipped vehicle.

*The Controller Area Network (CAN) bus is a communication protocol used primarily in automotive and industrial applications for allowing microcontrollers and devices to communicate with each other without a host computer.

Should you have any question, feel free to contact me directly.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Karim', is written over a horizontal dashed line.
