Re. TR-7750C, FCC ID RA9 Product Code TA-7650C and FCC ID RA9 Product Code RA-7203C.

Response:

80.203(b) Only programmed frequencies can be selected.

80.203(n) This transmitter has DSC capability.

We confirm hereby that TR-7750 comply with FCC part 80.203(b) and FCC part 80.203(n) requirements.

Best regards

Jotron AS.
