Prolonged exposure to music at full volume on the music player may damage the listener's hearing. Set your cellphone volume safely. Use only headphones recommended by TCT Mobile Limited and its affiliates.

4 Menu arrange

It is designed to vary according to your preference.

Muting the ringtone
To mute ringtone of current incoming call, press Right softkey. Answer the call by pressing the key.

Rejecting a call
Press the key once, or reject it by SMS (Options)Reject call with SMS).

Change the order
Access the main menu, focus on the main menu item you want to move, select "Options)Move", and tick "n" will be shown on the item you selected, then release it to your favorite destination.

Show/Hide
Access the main menu, select "Options)Add and remove menu", and select the left check box of the selected menu once to show/hide, and then select "Done" to save the operation.

5 Messages.....

5.1 Access
You may access this menu using the following options:

- Access from the main menu by selecting "Messages".
- Select from widget bar, and then enter the sub-menu you require.

5.2 Conversational On (Off) mode

In conversational mode, you can view chat history in chronological order. In conversational off mode, you may have access to the following folders: **Inbox, Outbox, Sent, Drafts, Voicemail, Broadcast SMS, Empty folder, Templates, Settings**, etc. Conversational view mode is set as default. You may switch to conventional mode by selecting "Options)Settings)Conversational mode)On(Off)".

5.3 Write message

You can select "Messages)Write message" from the main menu or access from widget to write text/multimedia message. One or more recipients can be added from contact list and you can remove a recipient by pressing "X". Press "Contacts" through key to multi-select recipients from Contacts.

An SMS will be converted to MMS automatically when images, videos, audio, slides or attachments are inserted. Subject, CC/BCC/email address is added; or the message contains more than 8 pages of text.

Timer send
Schedule a SMS/MMS to be sent out at predefined time ("Options)Timer send").

6 E-mail

Your cellphone has an email client with the settings pre-defined for a few popular email services like - GoogleMail, Yahoo, AOL, etc. Besides this, you can set up other POP3 or IMAP4 email accounts that you may be using.

7 Pairingo.....

Pairingo Instant messaging (IM) allows you to chat with other people using Pairingo account. You can also connect to other popular IM services through Pairingo, like Yahoo, AIM, GG, ICQ, GTalk, iChat, etc.

Please note that the services accessible to you will depend on your client version and dynamic Pairingo server options.

8 Contacts.....

8.1 Consulting your contacts
You can access to this function from the main menu by selecting "Contacts" or select from widget bar, and then enter the sub-menu you require.

8.2 Adding a contact
You can add a new contact by selecting "Options)Create new".
Adding birthday reminder
You can set a birthday reminder when editing contact information. This will remind you at regular intervals during the day prior to the set date.

9 Call log

9.1 Access
You can access the function using the following options:

- Select from main menu
- Press key from Home screen
- Select from widget bar, and then enter the sub-menu you require.

9.2 Available options

2 Getting started.....

2.1 Set-up

Inserting or removing the SIM card

You must insert your SIM card to make phone calls. Please power off your cellphone and remove battery before inserting or removing the SIM card.

Place the SIM card with the chip facing downwards and slide it into its housing. Make sure that it is correctly inserted. To remove the card, press the bottom and slide it out.

Installing or removing the battery

Insert and click the battery into place, then close the cellphone cover. Unclip the cover, then remove the battery.

Charging the battery

Connect the battery charger to your cellphone and outlet respectively.

To reduce power consumption and energy waste, when battery is fully charged, disconnect your charger from the plug; switch off Wi-Fi ⁽¹⁾, Bluetooth or background-running applications when not in use; reduce the backlight time, etc.

2.2 Power on your cellphone

Hold down the key until the cellphone powers on.

2.3 Power off your cellphone

Hold down the key from the Home screen.

3 Making a call

Dial the desired number then press the key to place the call. The number you entered can be saved to Contacts by selecting "Save". If you make a mistake, you may short press Right softkey to delete the incorrect digits one by one, or you may long press Right softkey to delete all.

To hang up the call, press the key.

11.3 WAP.....

Access WAP options: **Homepage, Bookmarks, Go to URL, Last web address, Recent pages, Offline pages, Service inbox, Settings**.

It is a huge time saver providing news updates from a website in a simple form.

Once subscribed to a channel, it gives you the ability to track and manage all your favorite RSS content on your cellphone at anytime, anywhere!

11.4 News.....

Your cellphone is equipped with a weather function for consulting up to 3-day forecast of favorite cities.

11.5 Weather.....

11.6 Facebook.....

Facebook is a social utility that connects people with friends and others who work, study and live around them. It provides a number of features with which users may interact: Wall, a space on every user's profile page that allows friends to post messages for the user to see; Pokes, which allow users to send a virtual "poke" to each other; Gifts, a feature allowing users to send virtual gifts which appear on the recipient's profile; Market places, which lets users post free classified goods, etc.

To open an account online, please go to: <http://www.facebook.com/>.

11.7 mTweet.....

Twitter is a social networking and microblogging service that has gained notability and popularity worldwide. This feature enables cellphone users to exchange news updates and ideas with a community in the form of messages or posts. Posts are displayed on the author's profile page and delivered to the author's subscribers or followers.

To open an account online, please go to: <http://twitter.com/>.

⁽¹⁾ Depending on the software release of your cellphone and your network operator.
⁽²⁾ Depending on your country or your operator.

12 Entertainment.....

12.1 Stopwatch.....

The stopwatch is a simple application for measuring time with the possibility to register several results and suspend/resume measurement.

12.2 Ebook.....

A bookshelf contains the electronic books (.txt and .pdb file only). While reading the book, you may add bookmark, or reach the text by searching words, phrases (Options)Find, Options)Jump to).

12.3 Java.....

Your Alcatel cellphone may include some Java™ applications and games. You can also download new applications and games to your cellphone.

13 Camera.....

Your cellphone is fitted with a camera for taking photos and shooting videos that you can use in different ways:
