## Statement

We, TCT Mobile declare that in our product ONE TOUCH 991S(FCC ID: RAD256), version for North America does not have region selection option via software. North America edition is limited using channel 1-11. This limited operation can be only set by software and was done before the product down from the product line. All the products for North America marketing were embedded this limited before shipping. Customers have no way to choose the channel 12 & 13.

And 802.11n only support HT 20 no HT 40 transmission speed .

Yours Sincerely,

Zhizhou Gong
