Date: September 7, 2012

Product Equality Declaration

We, **TCT Mobile Limited.**, declare on our sole responsibility for the product of **Quad-Band GSM mobile phone** below:

The differences between previous and current model of **Quad-Band GSM mobile phone** are as below:

The previous product, Dual-Band GSM mobile phone, has been granted by FCC dated 09/06/2012, FCC ID: RAD302 and Model name: one touch 316A; one touch 316N

According to the customer will add the frequency band GSM900 and DCS1800 by changing the Hardware. It becomes Quad-Band GSM mobile phone.

So, We apply new FCC ID: RAD304 and Model name: one touch 316G; one touch 316S

Except listings above, the others are all the same as previous version.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely yours,

Houhua Fan
