

June 22, 2009

To whom it may concern,

Motorola licenses to Giant International the use of the Motorola trademark for consumer 2-way radios (frs and gmrs bands) in the United States, Canada and Latin America. Therefore, Giant is authorized to develop, manufacture, brand and sell the Motorola consumer, frs/gmrs 2-way radios throughout the above territories.

Yours truly,

A handwritten signature in black ink, appearing to read 'Vera Tsekeris', followed by a long horizontal line extending to the right.
