

## Description for adding new equipment code

To Whom It May Concern:

We would like to inform you that the device will add a new equipment code "6CD". The original granted information is FCC ID: RAS-MT7927; Original grant 6XD/NII/DTS/DSS cert. approval date: 01/18/2023.

For indoor client power mode, EMC and SAR of 6XD reports were submitted again.

For standard power mode, we performed all the testing items of EMC and SAR except the Frequency Stability and Contention-based Protocol which refer to 6XD EMC testing report.

For the details condition, we also addressed it on the 6CD testing reports.

If you have any questions, feel free to contact us. Thank you.

Sincerely yours,

Regards,
