United Kingdom

Dear Mr. McMahon:

Our office has reviewed your application requesting a U.S. Coast Guard Certificate of Approval for the Navico NAIS-400 Class B Automatic Identification System (AIS). This unit meets the requirements of the applicable International Standards and is certified as follows:

The following approval number has been assigned:

NAIS-400
165.156/18/0

Dated: October 18, 2012
Expires: October 18, 2017

This certification remains valid until October 18, 2017 unless our office suspends, withdraws, or terminates it. The device manufacturer may apply for extension of this certification by writing to our office before it expires. If the equipment is no longer produced our office continues to consider it certified based on the date of manufacture, the vessel installation date, and the valid certification for that time period. You cannot transfer this certification to another manufacturer without written authorization from our office. You must notify our office in writing when you make any change in the design or construction of the device or when you cease manufacturing the device. Final shipboard acceptance of the NAIS-400 Class B AIS is based on the installation, materials, and workmanship being to the satisfaction of the cognizant Officer in Charge, Marine Inspection.

Sincerely,

A handwritten signature in blue ink, appearing to read "C. K. Marcy", written over a circular stamp.

C. K. MARCY
Commander, U.S. Coast Guard
Office of Design and Engineering Standards
