

A black, rectangular electronic device is shown from a top-down perspective, resting on a light brown, textured surface. The device has a flat top surface and a slightly raised base. On the top edge, there are several white, vertical pins or connectors. A black cable with a coiled section is connected to the left side of the device. Another black cable is connected to the right side. A blue rectangular label with the text "LABEL LOCATION" is placed on the top surface of the device. The label has a gradient from light blue at the top to white at the bottom.
