Care & safety precautions

- During charging, keep your device and charger near room temperature for efficient battery charging.
- New batteries are not fully charged.
- Use batteries or batteries stored for a long time may take more time to charge.
- The included charger is intended for indoor use only.
- Service should only be provided by an authorized service provider.
- Never attempt to disassemble, repair or modify the tablet yourself.
- Do not use the tablet in rain or other wet locations.
- Avoid sliding any liquid on the tablet.
- In case the tablet gets wet, unplug all cables and turn off the tablet.
- Do not attempt to dry the tablet with an external heat source.
- Unplug all cables and turn off the tablet before cleaning.
- Use a soft, lint-free cloth to clean the tablet and display.
- Avoid using abrasive or caustic cleaners.
- Do not use household cleaners, solvents, alcohol, or abrasives to clean the tablet.
- Business check the tablet for proper sale conditions. If there is any damage, or broken parts, remove the tablet from use.
- For any reason the screen (display) is fractured or cracked, immediately remove this product from use and contact Customer Support for replacement.
- It is not possible for screens to be triggered by light flashes or patterns such as those on computer or TV screens.
- Screen damage due to the potential hazard, always use in a well-lit room, at an appropriate distance from the screen and take 10-15 minute breaks every hour.
- Cords could be a strangulation hazard.
- Keep out of reach of children under 3 years of age.
- Children pulling on the cord could cause the computer monitor or other equipment to which the device is connected to fall with possibility of property damage, serious injury or death. Adult supervision required during use.
- Long-term exposure to loud sounds, or high volume, may result in permanent hearing loss.
- When using headphones or earbuds, it is recommended that the product is listened to at lower volumes for shorter periods of time. Set the volume while in a quiet environment; turn the volume down if you cannot hear the people around you.
- Limit the listening time to 30 minutes, followed by a quiet period. The lower the volume, the less time required before your hearing may be affected.
- If you experience ringing in your ears or hear muffled speech, stop listening and have your hearing checked.
