Dear Sir or Madam:

RE: Application for Confidentiality pursuant to 47 C.F.R. Section 0.459 for FCC ID RCEICELL1900P-1

TELOS Technology (Canada), Inc. (FRN 0009334160) requests that all the schematics, and the circuit description document which includes: the block diagram, the theory of operation, and the tuning instructions and all copies of these documents submitted for FCC ID RCEICELL1900P-1 remain confidential and withheld from routine public inspection due to the proprietary commercial information disclosed therein. These documents detail the exact nature of how our product is designed and would rapidly enable a competitor, without significant capital investment, to replicate our product.

Please direct any questions or comments regarding this request to the undersigned.

Kind regards,

A handwritten signature in black ink, appearing to read "Richard LaLau". The signature is fluid and cursive.

Richard LaLau, P.Eng.
Director, Base Station Development
TELOS Technology (Canada), Inc.
