RE: Inteligain Corporation, Inc.

FCC ID: RCUDBA819-807

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) Please provide a copy of the label. It appears that the grant limits the gain to 3 dBi, while the label appears to state 7 but can not be clearly read. Note the grant, label and users manual must agree. These items may need to be corrected.
- 2) Please provide a letter as specified by 2.933(b), addressing items 1-4 as given in this section of the rules.

Timothy R. Johnson
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
