Re: **REQUEST FOR CHANGE IN IDENTIFICATION**
FCC ID: PMESG800-807 to RCUSBA800-807
ATCB File 001704

Dear Sir/ Madam:

As per FCC Rule 2.933

The original FCC ID: PMESG2100 was issued to Seamless Group, Inc. on 9/21/2001 for the single band cellular amplifier. The FCC ID was changed to PMESG800-807 on 1/08/2003, to differentiate a change in the color of the cover of the case. On January 10th 2003, the amplifier product and the FCC ID were given to Inteligain Corporation, Inc., as part of a business transaction. A copy the transfer of the product ownership to Inteligain is attached.

Regards

Dana Mitchell, President
