RE: Inteligain Corporation, Inc.

FCC ID: PMESG819-807

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) Please provide a FRN Number for Inteligain Corporation, Inc. This is now required for all Grantees - (reference MD Docket No. 00-205). To obtain an FRN online, visit the FCC's Web site at www.fcc.gov and click the Commission Registration System (CORES) link. For further assistance, please either refer to the FAQ at this same link; contact the CORES helpdesk at CORES@fcc.gov; or call the CORES helpdesk toll-free number: 1-877-480-3201.
- 2) The 731 form provided references an FCC ID of PMESG819-807. The Grantee portion of this ID ("PME") is registered in the FCC data base as Seamless Group, Inc., not Inteligain Corporation, Inc. Please explain and/or provide the correct Grantee Code for Inteligain Corporation. If there has been a change in company name, this may only be corrected directly by the FCC. Please see the attached document.
- 3) The original FCC ID referened in section III(5) of the 731 form is FCC ID: SSG-819-1W2W. Information can not be found on the FCC ID, Grantee Code, or Product Code. Without this information, the application can not be processed.

Timothy R. Johnson
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
