Federal Communications Commission
Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, MD 21046

To Whom It May Concern:

FCC ID: RD7-SENSOR4X1

Sensor4 –Statement of conformity – operational modes cannot be modified by the end user.

The Fluke Networks (AirMagnet) Sensor4 SmartEdge sensor monitors the 802.11a/b/g/n traffic in the wireless environment and analyzes network packets for network statistics as well as security infringements.

The Sensor4 SmartEdge sensor is a client device. The client software and associated drivers that control the channels and power levels for the FCC frequencies are set in the firmware and cannot be modified by the end user or the installer.

A handwritten signature in black ink, appearing to read "Richard Au". The signature is written over a horizontal line.
