RE: Intec Electronics

FCC ID: RDDT10571-DRIVER

I have a few comments on this Application. Depending on your responses, kindly understand there may be additional comments.

- 1.) The signer of the Agent Authorization letter allowing Ns Electromagnetics to act on behalf of Intec Electronics is May Hsu. But the FCC database lists Nancy Hatton as the contact person at Intec Electronics. The FCC wants to see a clear line between the signer of the 731 form and the contact person in the FCC database. Please provide a document from Nancy Hatton authorizing May Hsu to act on behalf of Intec Electronics. As an alternative, the FCC grantee code database can be updated to show May Hsu as the authorized contact individual within Intec Electronics.
- 2.) FYI: The FCC has authorized the go-ahead for this 15.239 filing. Once we have satisfied the above requirement we can go forward with the Grant.

William H. Graff

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
