

Date: April 11, 2007

To: FCC

From: Meru Networks Inc.

Subject: Class II permissive change

To Whom It May Concern:

This Class II permissive change request is for the addition of two antennas to the previously approved products, the AP201 Rev 2 and the AP208 Rev 2.

The new antennas are:

- Maxrad, model MP51513XFPT
- Maxrad, model MP58013XFPT
