Subject: Requesting Class II permissive change for FCC ID: RF41607A

Dear Examiner,

The purpose of this letter is to request a Class II Permissive change for FCC ID: RF41607A is to add a host accessory, XM-WA as follows:

- XM-WA which is limited to be used with a handheld measuring instrument (XM-P5000) host as described in the manuals. Additional C2PC filing may be needed when instrument host is changed,
- Disabled UNII bands and BT/BLE by software.

Antenna used in this host accessory is same as original filing and the module installed with the host accessory has been verified in accordance with KDB996369D04 for radiated spurious emissions to be compliant. To demonstrate the compliance, SAR test has been conducted and submitted.

Best Regards
