Request for Confidentiality

Leica Geosystems AG - FCC ID: *RFD-BTWCO*, FCC Part 15 Certification

Gentlemen,

In accordance with CFR 47 § 0.457 and CFR 47 § 0.459 Leica Geosystems AG hereby requests confidentiality of

- (1) schematic diagrams,
- (2) detailed block diagrams,
- (3) detailed operational descriptions,
- (4) parts lists.

Attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which Leica Geosystems AG considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Leica Geosystems AG considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Gabriela Lang
