

Subject: Professional installation attestation
Reference: CRS111
Proposed FCC Certification No.: RFD-CRS111

Date: 2019-11-28

To Whom It May Concern:

Leica Geosystems A/S confirms the following points regarding professional installation:

1. The device is only to dealer. No sale to retail or to the general public.
2. The device can only be installed by a professional who has completed a special training.
3. A special knowledge to configure a device is needed.
4. The intended use is not for the general public. It is for industry/commercial use.
5. Professional installation does not permit use of any with the transmitter; the permitted type of antenna specified as below.

Brand	Model	Gain (dBi)	Antenna Connector	Frequency range [MHz]
Leica Geosystems	CRS139	2	RP-SMA(M)	824 – 960 1710 – 2600
Leica Geosystems	CRS145	2 5	SMA(M)	800 – 1250 1650 – 2700

Sincerely,

Signature
