Gentlemen,

In accordance with 0.459 of CFR 47, Leica Geosystems AG hereby requests confidentiality of

- Internal Photos (09_CS10 IntPho.pdf)
- Operational Description (11_CS10 OpDes.pdf)
- Block Diagrams (12_CS10 BlkDia.pdf)
- Schematics (13_CS10 Schem.pdf)
- Parts List (16_CS10 PartsLst.pdf)

attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which Leica Geosystems AG considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. There are special tools necessary to open the products and the internal design is not publicly accessible. Since the design is a basis from which future technological products will evolve, Leica Geosystems AG considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
