

FCC Class II Permissive Change Request Letter

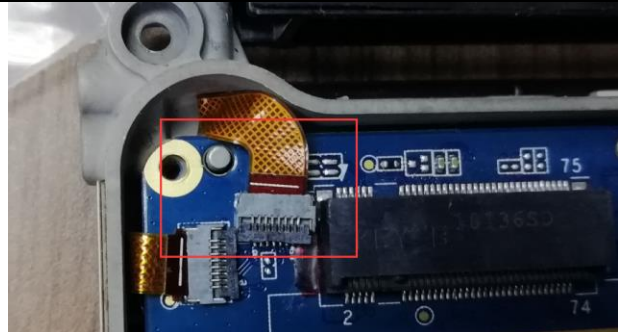

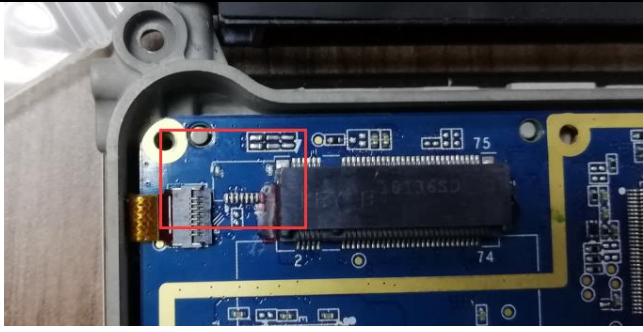

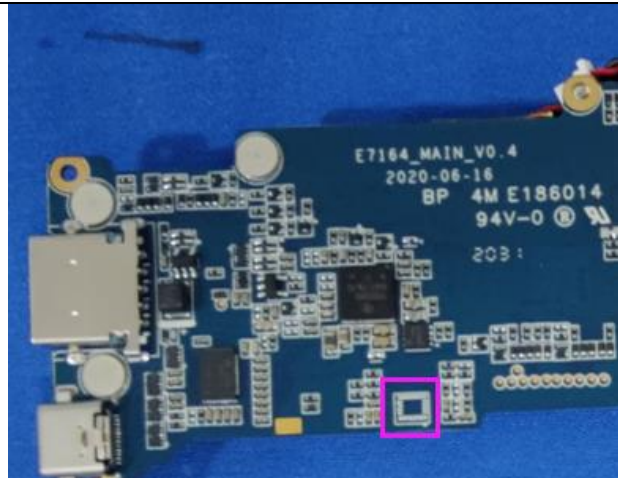

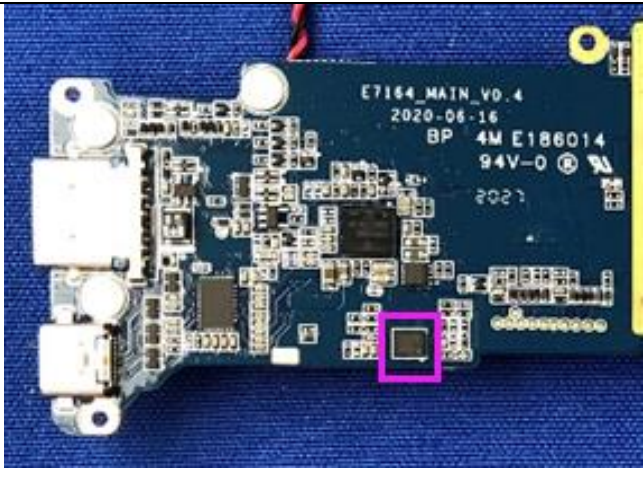

Date: October-28-2021

To FCC:

RE: FCC Permissive II Change Request for Company: Leica Geosystems AG **FCC ID:** RFD-CS30

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Leica Geosystems AG, product description: Rugged Windows Field Controller (FCC: RFD-CS30, Original Grant Date: 12/17/2020). The transmitter module itself has not changed. Here are the changes:

1. Only update hardware version number and deleted electronic compass and added G-sensor. The electronic compass and G-sensor module are not RF modules. It does not affect the performance and normal operation of all intentional emission parts of the original certification.

Hardware version number	Original
PCB V0.5	PCB V0.4
Add FPC (G-sensor)	Original
	
Delete electronic compass	Original
	

Sincerely,

Title Director Global Quality Engineering
