

(This form must be used and submitted for applications following the *Class 2 permissive Change* procedure. In order to complete the exhibits required for a Class 2 permissive Change filing, also the 731 application form, an Agent Authorization Letter, possibly a confidentiality request letter, a test report and test setup photos are mandatory. In most cases, however depending on the actual changes, new schematics, internal and/or external photos, are required to provide in addition with the application.)

To: Federal Communications Commission
7345 Oakland Mills Road
Columbia, MD 21046

Attention: Application Examiner / Review Engineer
