

Industrial Andons LLC

Efficient Manufacturing Solutions

Pursuant to 47 CFR 0.457(d) and 47 CFR 0.459 of the FCC Rules, Industrial Andons LLC requests confidentiality for all schematics, block diagrams and operational descriptions relating to the current model filed for FCC certification.

The above-mentioned documents specifically relate to a patent pending product and process. The information in these documents are trade secrets and not available to the general public. The schematics were custom designed specifically for Industrial Andons LLC and not available anywhere else. The block diagram and operational description outlines the whole process behind the patent pending system which may divulge insight into necessary aspects of the circuitry and product.
