Class II Permissive Change FCC

MODEL: CC864-DUAL
FCC ID: RI7CC864-DUAL
IC Number : 5131A-CC864DUAL

Dear Sir or Madam:

Telit Communications S.p.A. hereby submit a request for Class II permissive change tour Dual-Band CDMA Module/GPS, model CC864-DUAL.

Description of the changes:

CC864-DUAL is not changed except for adding antenna at the approved product.
And it still meets all standards within conducted output power +/- 0.5 dB tolerance, ERP and EIRP +/-3 dB tolerance compared with the previous certification.

Sincerely Yours,

Brian Tucker
