RE: request for supersede test report for FCC ID: RI7UE910NAV2

Grantee: Telit Communications S.p.A.
FCC ID: RI7UE910NAV2 (granted on 12/16/2013)

This is to request to update type error of table on test report page 41 on peak power value to be consistent with report section 7.2 peak power measurement. The peak power on FCC grant is no change and not affected, but test report needs correction.
