Segensworth Road,
Fareham,
Hampshire,
PO15 5RL

FCC ID: RID-HR50

Product Name: Optical Heart Rate Fitness Band

Dear Sir,

Our company, GlobalSat WorldCom Corporation, claims that for this FCC certification application the discrepancies of main model and serial model are as below.

Model: HR-50N, HR-50B, HR-50

1. HR-50N has passive mode NFC and Bluetooth Low Energy design.
2. HR-50B has Bluetooth Low Energy and activity tracking design
3. HR-50 has Bluetooth Low Energy design

Different functions are for different market segment. Internal board and circuit are identical. We hereby certify that these products match to be serial products and their technical specification and radio frequency performance are the same.

Sincerely,

By: Ray Tsai
