PROFESSIONAL INSTALLATION FOR INFINITE SYSTEM

The INFINITE system must be installed by professional installer due to:

1. the system must be programmed by professional installer, installation of hardware is not enough
2. According to paragraph 1 sold by mail or directly to the end user is impossible.
3. From the above it understood that the installer need a special training to program the system
4. Electronics Line 3000 Ltd from the above reason sell the systems to dealers or distributors only.
5. Electronics Line 3000 Ltd Customer Care Department responsible for training and explanation of the system to the customers.
6. Dealers and distributor responsible to train the installers

INFINITE system includes:

1. INFINITE w/l control unit
2. w/l Detectors
3. w/l Sensors
4. w/l Repeater
5. Accessories

If you have any question or comments, please don't hesitate to contact our office.
Sincerely

Shaul Aviezer
