Dear Mr. Ward:

Below you will find the information that was requested in your letter on February 12, 2004. All items concur with the numbered questions in your letter.

1. Our client agreed to change Confidential settings, as you suggested
Please see client statement below:

I reviewed the notice by our ATCB dated Feb 12, 2004 and hereby allow the ATCB request on Item #1 whereby only the following items may be considered confidential for part 15 devices:

- 1) Schematics
- 2) Theory of operation
- 3) Block diagrams
- 4) Parts list (if provided)
- 5) QC test procedure

Alex Samson
R&D Engineer
EverWin Chatsworth
ph (818) 709-3786

2. The FCC ID is on the outside of the product. Please see page 2 of the Label exhibit
3. The product was retested at 88.1 MHz and revised Test Report uploaded.
4. The device was tested in all three orthogonal planes but only worst case data was recorded, according to our test procedure. The test procedure is a part of the Test Report

Confidential
