

Using the telephone

Using the Audi phone box

Applies to vehicles: with Audi phone box

With the Audi phone box* and a USB adapter cable for your cell phone, you can make calls through the vehicle antenna and charge your cell phone. Using the external antenna helps when there is low signal strength and also provides better reception quality. The Audi phone box is located in the center console under the center armrest.

Requirement:

- Read the note ⇒ ⓘ in this chapter prior to using the Audi phone box.
- A cell phone must be connected through Bluetooth.
- **Connecting to the external vehicle antenna:** Lay the cell phone on the center of the cell phone symbol in the Audi phone box with the display facing up. Make sure there are no objects between the Audi phone box and the cell phone.
- **Charging the cell phone with the USB adapter cable:** Connect your cell phone to

the 5 Volt socket using the USB adapter cable ⓘ ⇒ fig. 23.

For ease of use, Audi offers special USB adapter cables* ⇒ fig. 24. The following USB adapter cables are available at this time:

- Ⓐ Micro USB adapter cable*
- Ⓑ Adapter cable for Apple devices with Lightning connector*
- Ⓒ iPod adapter cable*/iPod adapter cable plus*

⚠ WARNING

Loose objects can be thrown around the vehicle interior during sudden driving or braking maneuvers. This can cause serious injuries and loss of control of the vehicle. Always keep the center armrest closed while driving.

ⓘ Note

Operation of the Audi phone Box is subject to the following requirements of the Federal Communications Commission:

- This is a consumer device.
- BEFORE USE, you MUST REGISTER THIS DEVICE with your wireless provider and have your provider's consent. Most wireless providers consent to the use of signal boosters. Some providers may not consent to the use of this device in their network. If you are unsure, contact your service provider.
- You MUST operate this device with approved antennas and cables as specified by the manufacturer. Antennas MUST be installed at least 20 cm (8 inches) from any person.
- You MUST cease operating this device immediately if requested by the FCC or a licensed wireless service provider.
- WARNING. E911 location information may not be provided or may be inaccurate for calls served by using this device. ▶

 **Tips**

- The Audi phone box is not available in all countries. Contact your authorized Audi dealer for additional information.
- To prevent malfunctions, make sure the cell phone is positioned correctly in the Audi phone box.
- If the cell phone is placed in a bag or protective sleeve inside the Audi phone box, this can interfere with the connection to the external antenna.
- Audi recommends using original Audi accessories. Audi has established their reliability, safety and suitability.
- USB adapter cables are available from your authorized Audi dealer or specialty stores.
