RE: REQUEST FOR FCC CLASS II PERMISSIVE CHANGE  
FCC ID: RKS-PPT8866

---

This letter serves to request the relevant authorities to apply for an FCC Class II permissive change for the FCC ID RKS-PPT8866.

The initial submission for FCC grant is that of the PDA transmitting either wireless LAN or Bluetooth signal. This is later changed to PDA transmitting both wireless LAN and Bluetooth signal concurrently.

We hope the authority can accede to our request.

Yours sincerely,
