Dear Sir/Madam,

Re: Project and Product Audit Mode/ Certification Representative Authorization Letter

We, ComoTech Corp. hereby authorize Bay Area Compliance Laboratories Corp. to place FCC ID: RL3-ALTE1000, TC544489 submission into Audit Mode and to act as a laboratory for testing and test report generator for the following project:

[ComoTech FCC ID: RL3-ALTE1000 Millimeter Wave Radio Communications System](#)

The purpose of this Audit is to submit a test report with retested and revised data pertaining to the Occupied Bandwidth requirement of FCC Rules parts §2.1049 & §101.109, subsequently modify the Emission Designator section of Form 731 and additionally resubmit the antenna requirement exhibit with an increase in minimum separation distance to 3.0 meters (a requirement of the PC II change of antenna).

We affirm that between BACL and ComoTech Corp., any difference in understanding, including test plan, measurement methods, applicable standards and relevant procedures and processes have been resolved prior to commencement of testing activities.

We also hereby authorize Tian Wang-Méndez to act as Agent on our behalf in all matters relating to said submission audit wherein Bay Area Compliance Corp., will act as a Certification Body for the purpose of performing product certification and related services for the above listed project(s).

Sincerely,

Hyungdong Choi
