Dear Mr. Leimer:

We have reviewed the Marcom International, Inc. letter dated September 12, 2003, and have completed the subject review with no objection to Federal Communications Commission (FCC) Certification approval of the OTE-Marconi DTR-100 Communication equipment for USA ARINC use; FCC ID: RM7DTR100REV2-1.

If you require any additional information, please contact Ms. Annette Allender, Spectrum Planning and International Division, at (202) 267-3893.

Sincerely,

*George K. Sakai*
