Waiver Request

Dear Mr. Shaffer:

Morcom International, Inc. requests a waiver of Section 87.17 (b) of the Commission's Rules to permit type acceptance of a VHF aircraft transceiver capable of transmitting both the 25 KHz spaced channels currently authorized pursuant to Section 87.173(b) and on the 8.33 KHz spaced channels that are used in certain European countries.

We are presently seeking this waiver for the OTE model DTR100 REV2-1 VHF Transceiver for which we currently have applied for type acceptance. Please let me know if you need any additional information.

Sincerely yours,
