Rhein Tech Laboratories, Inc. 360 Herndon Parkway Suite 1400 Herndon, VA 20170 http://www.rheintech.com Client: TMI-USA, Inc. Model: RADIOZIGB1 Standards: FCC 15.247/IC RSS-210 ID's: RMK-ZIGB1/10839A-ZIGB1 Report #: 2013031

Appendix I: ID Label and Label Location

Due to the very small size of the module, and the fact that TMI will retain control of the module and all devices into which it is placed, we obtained approval from the FCC for the ID to be placed in the user manual. A sample of a host ID label is shown here.
