| Test Setup | Radiated measurement for Below 1 GHz (Front) |
| |  A photograph showing a white rectangular device, labeled 'SAMSUNG', placed on a black rectangular platform. The platform is positioned on a light-colored rectangular concrete base. The background consists of a wall with a repeating black and white cross-hatch pattern. In the foreground, the lower part of a silver metal tripod stand is visible. |
| Test Setup | Radiated measurement for Below 1 GHz (Rear) |
| |  A photograph showing the same white rectangular device on the black platform, but from a rear perspective. A silver metal tripod stand is positioned in the foreground, partially obscuring the view. A laptop computer is visible on the platform, connected to the device by several cables. |
