**Handset transceiver component view****Handset board solder view**

## A photograph of a green printed circuit board (PCB) with various electronic components. The board is marked with 'COBY' and '03.12.24'. A ruler is visible at the bottom, showing measurements in centimeters. The components include several integrated circuits, resistors, and capacitors. The board is populated with various electronic components, including integrated circuits, resistors, and capacitors. The board is marked with 'COBY' and '03.12.24'. A ruler is visible at the bottom, showing measurements in centimeters.

A photograph of a custom electronic circuit board, likely a data logger, mounted on a blue surface. The board is populated with various components including a microcontroller, memory chips, and connectors. A ruler is placed below the board for scale, showing measurements in inches and centimeters.
