The following lists are the answers for the comments on Dec, 30, 2005, please kindly have a review on it:

1) Please note that the FCC ID number is to be on one single line and not split into two lines. Please see 47CFR2.925 (a) (1). Please provide a label that is in accordance with the FCC rules.

Re: See the attachment (RNE00985TX)Label_0104.

2.) Please show how the device meets the requirement that "In addition, devices operated under the provisions of this paragraph shall be provided with a means for automatically limiting operation so that the duration of each transmission shall not be greater than one second and the silent period between transmissions shall be at least 30 times the duration of the transmission but in no case less than 10 seconds." This is not made clear in the operational description.

Re: The statement that should be added is in section 6.5, page 10.
See the attachment (RNE00985TX)UserMan_0104.

Thank you very much.
